IMPORTANT ***PLEASE READ CAREFULLY***

HEALTH & SAFETY

Horses are living creatures, they can be frightened at any time and their behaviour can be unpredictable. For this reason riding is classified as a Risk Sport.

Your Choice to Ride is Voluntary and is at your Own Risk.

We are making you aware that anybody riding or near a horse / pony can suffer bodily or other injuries and that each year people incur fatal injuries while riding or handling horses.

Liskennett Equestrian Centre takes all reasonable care to provide suitable and safe horses / ponies for all our Service Users. But, horses are unpredictable by nature. For example when frightened, angry or under stress, a horse's natural instincts are to jump forward or sideways, or run away from danger by trotting or galloping. Horses/ ponies are also known to kick, buck, rear- up or bite. Horses are also powerful and potentially dangerous.

To reduce risk the following must be adhered to:

- > *Liskennett Equestrian Centre Safety Rules*
- > *Liskennett Equestrian Centre Terms and Conditions*

St Joseph's Foundation will not be responsible for clients who engage in activities unauthorised by Liskennett Equestrian Centre.

I have read Liskennett Equestrian Centre "Consent Form" and I agree to the terms thereof. I also agree to keep Liskennett Equestrian Centre informed of any changes to the information contained in this Form.
